“ We are not our parents. ”

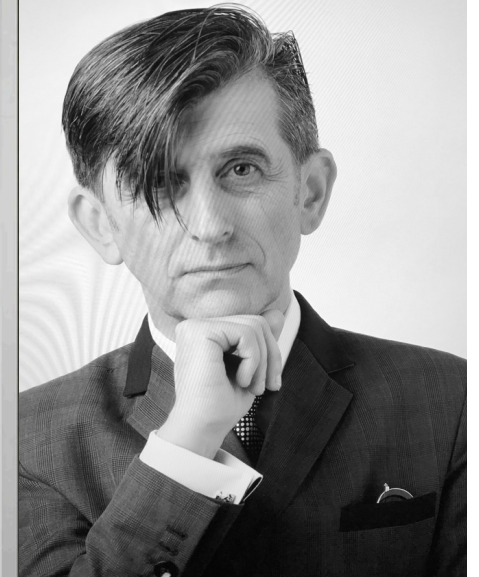

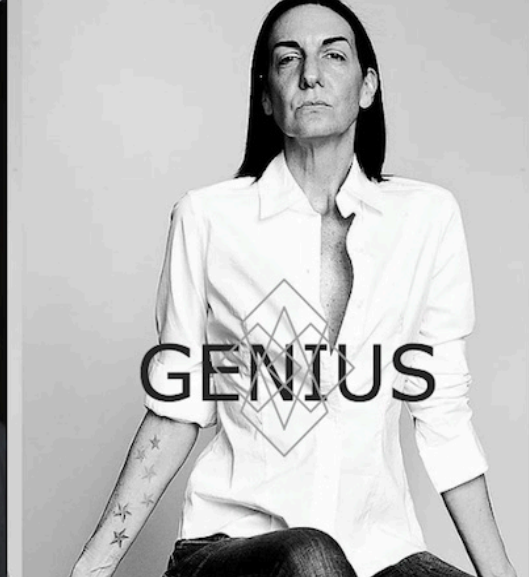

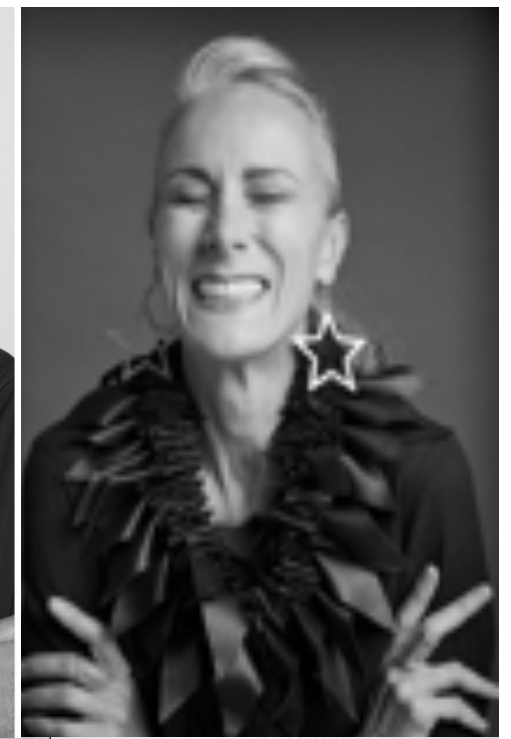

G

**We are the rebels,
the mavericks,
the game changers.**

**We are bold, fearless
and provocative.**

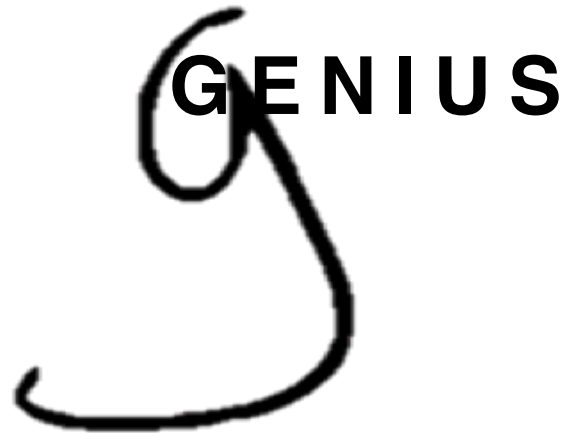

**We love who we are.
We love what we do.**

WHAT IS GENIUS?

GENIUS is an online agency for Age Positive global talent that is changing the face of the digital hiring space.

OUR WHY

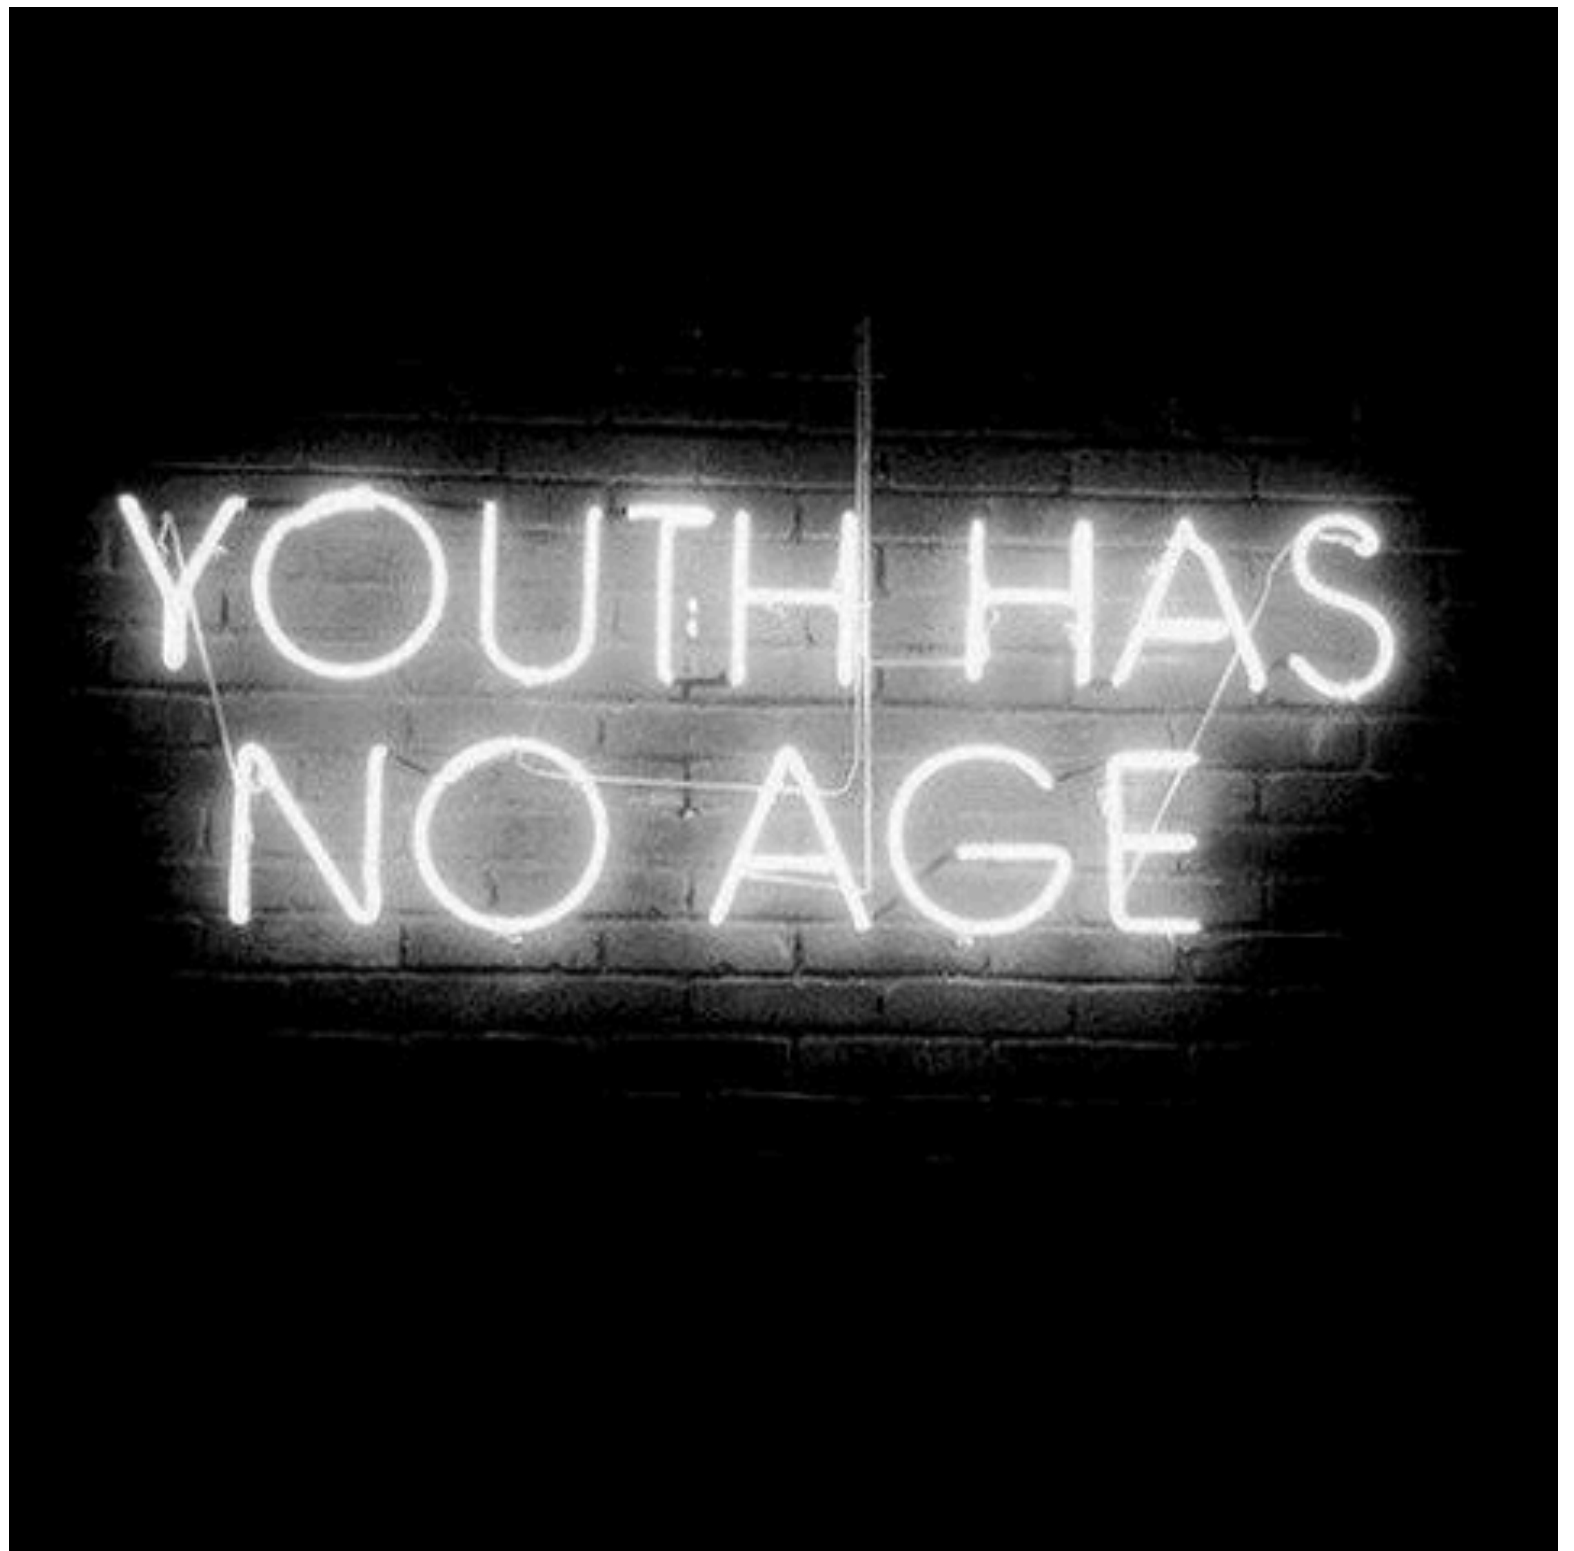

To promote and raise awareness of the talents of an Age Positive generation. A generation with the skills and experience, flexibility and talent to handle any project.

At **GENIUS** we believe in creating a unique community that supports each other and gives back by supporting the homeless.

We have the skills + experience + ideation that deliver results.

9

“Geniuses are made over time”

GENIUS shines a spotlight on an under utilised generation of Age positive consultants, who are influencers, creators, experts and thought leaders using a unique intuitive algorithmic system to match client needs with unique talent, via video 360° profiling.

I AM MY OWN
FREQUENCY

MARKET

The Age Positive market spends £2.2b per week in the UK.

Genius speaks the language of our demographic making us perfectly placed to create campaigns and content for the 15 million of us.

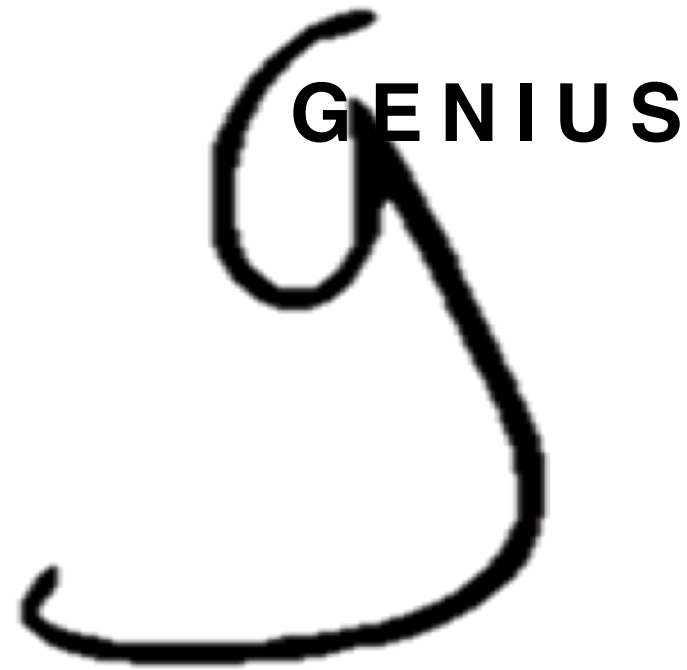

GENIUS. Creating a new community of Age Positive people who excel in their field.

Where we believe what you do matters as much as who you are and what you give back.

Where we all grow by supporting each other.

There are 15 million of us.

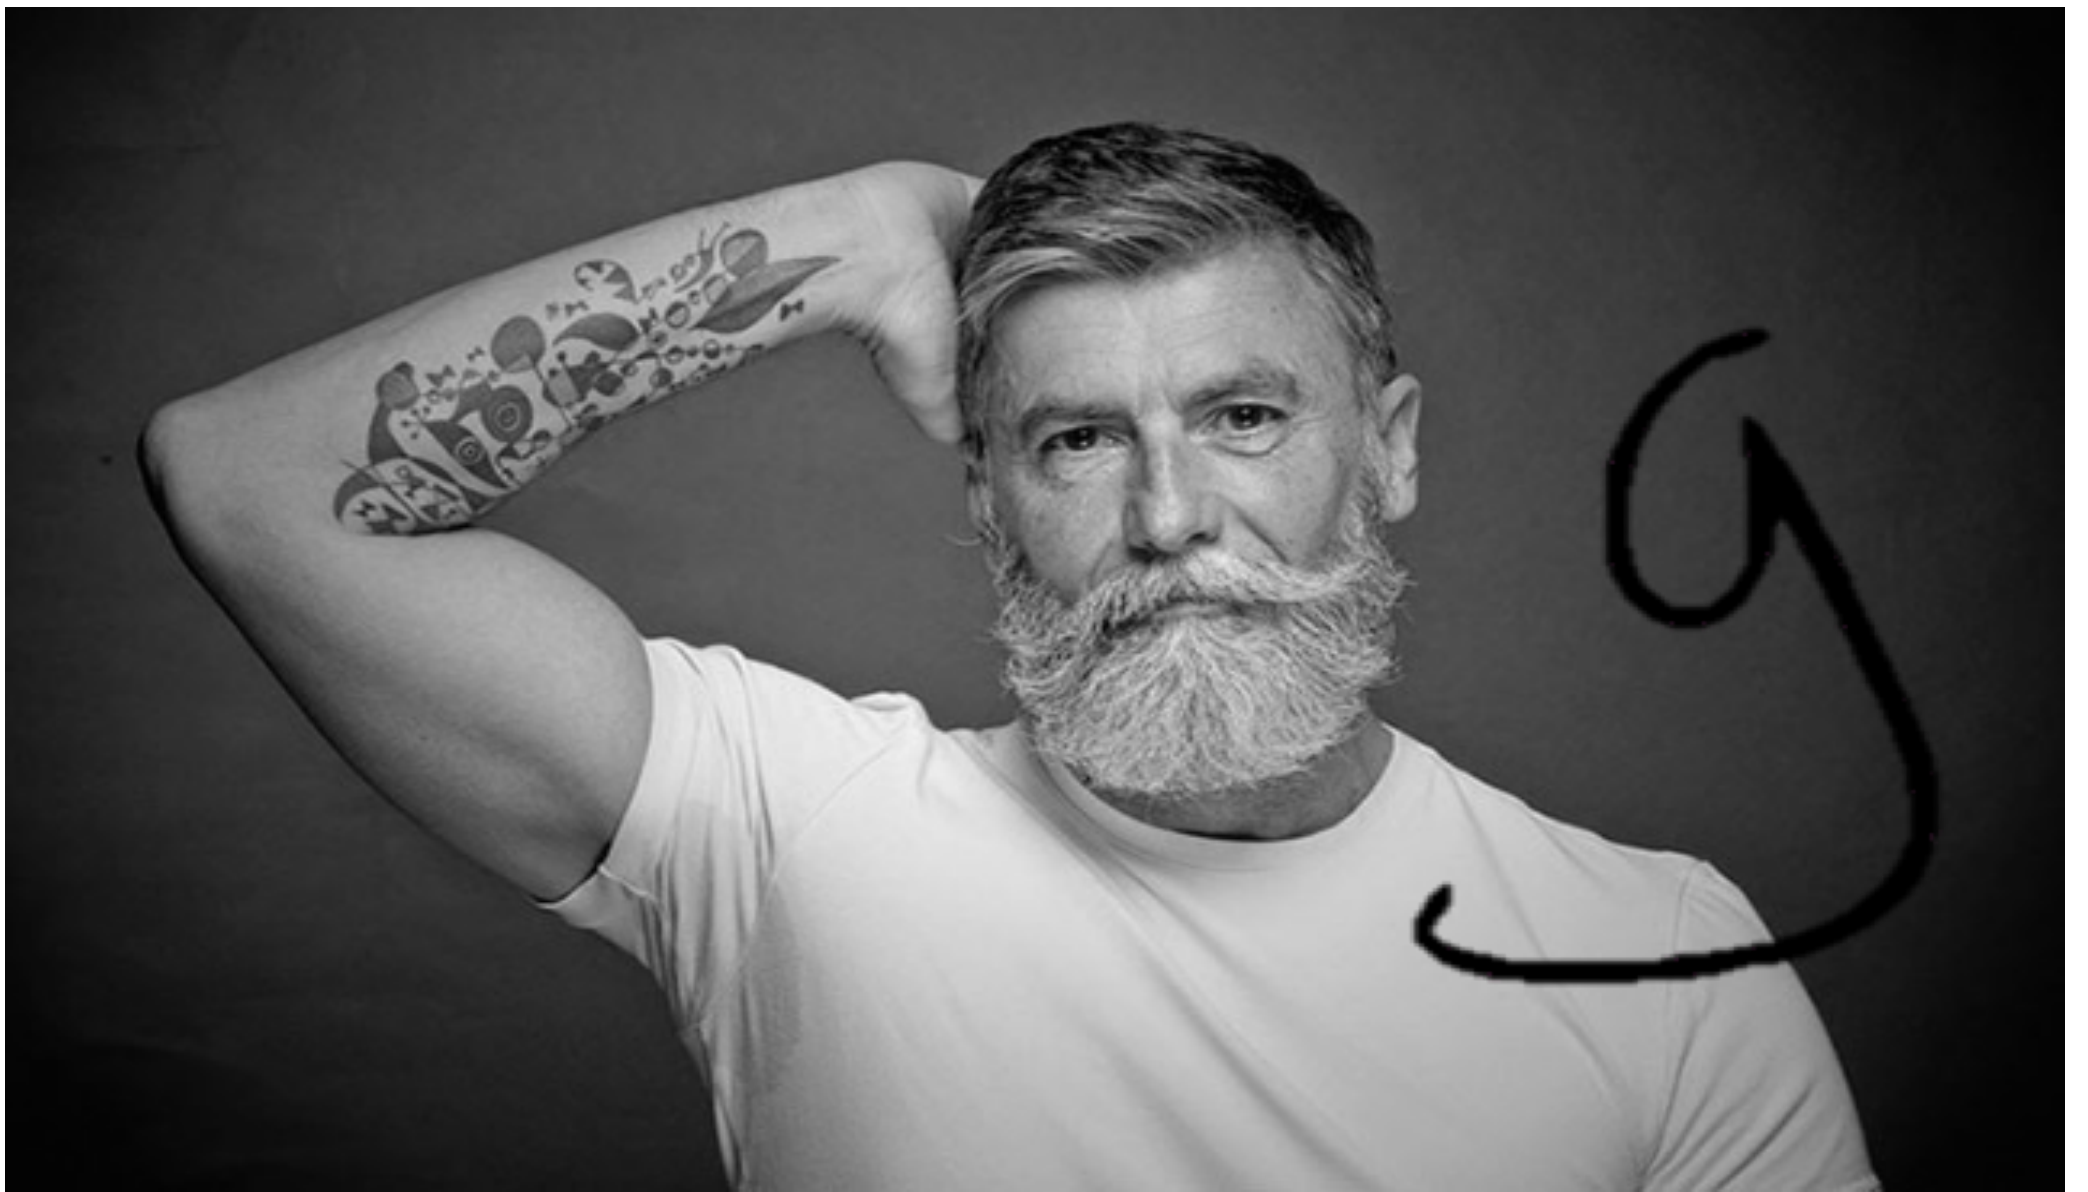

We are an Age Positive generation who have at least 20 years experience across a variety of industries who looking to continue to use our talent and experience.

The additional incentives of working with us is that we work as consultants and can charge less for our services because we already have an established life.

G

“We bring everything that we’ve lived, everywhere that we’ve been and every experience that we’ve had, to our work.”

THIS IS GENIUS.
